DECLARATION of COVENANTS, CONDITIONS and RESTRICTIONS

RECITALS

This Amended and Restated Covenants, Conditions, and Restrictions (the "Declaration") is made as of May 12, 1998.

- A. By that certain Declaration of Covenants, Conditions and Restrictions recorded in the official records of Maricopa County, Arizona, (the "Original Declaration"), the then owner imposed certain conditions, covenants, restrictions and created other property and contract rights burdening and benefiting the real property described in the Declaration (the "Property").
- B. The Original Declaration provided for the amendment of the Original Declaration by a majority vote of the then owners of the lots covered by the Declaration.
- C. By not less than a majority vote, the owners of the lots constituting the Property ("Owners") have approved this Restated Declaration of Covenants, Conditions and Restrictions.
- D. The Owners desire that all of the Property subject hereto be held, conveyed, hypothecated, encumbered, leased, occupied, built upon and otherwise used, improved or transferred in whole or in part, subject to this Declaration, as amended or modified from time to time.

NOW THEREFORE, the Prior Declaration is hereby amended and revoked in its entirety and the provisions of this restated Declaration are hereby imposed upon the Property.

1. The Sun City Home Owners Association

- The Sun City Home Owners Association (the "Associations") is a nonprofit Arizona corporation charged with the duties and invested with the powers prescribed by law and set forth in the Articles, Bylaws, and this Declaration.
- In the event of any conflict or inconsistency between this Declaration and Articles, Bylaws, or Association rules, this Declaration shall control. The Association shall have the right and authority to enforce the restriction contained in this Declaration and to do such things as are expressly authorized in the Declaration for the Association to perform, as well as such things as are reasonably necessary or proper for, or incidental to, the exercise of such express powers and duties.

2. Housing for Older Persons; Age Restriction

- The Property is intended to constitute housing intended and operated for occupancy by at least one person fifty-five (55) years of age or older per unit under the Fair Housing Amendments Act of 1988, U.S.C. § 3600, et seq., and the Arizona Fair Housing Act, A.R.S. § 44-1491, et seq., (collectively, the "Fair Housing Acts").

DECLARATION of COVENANTS, CONDITIONS and RESTRICTIONS

- Except as provided below, at least one occupant of each residential unit must be 55 years of age or older, and no person under nineteen (19) years of age shall occupy or reside in a residential unit for more than ninety (90) days in any twelve (12) month period.
 - a) The Association may grant variances from the above restrictions, unless the granting of a variance would result in less than eighty percent (80%) of the residential units being occupied by one person fifty-five (55) years of age or older or would otherwise jeopardize the Property's status as housing for older persons under the Fair Housing Acts. Any request for a variance submitted to the Association pursuant to the subsection shall set forth the names and ages of all proposed residents of the residential unit the reason for the request and such other information as the Association may reasonably require.
 - b) The Board shall adopt, publish and enforce such policies and procedures and rules and regulations as are deemed necessary by the Board in order to demonstrate an intent to provide housing for occupancy by at least one person fifty-five (55) years of age or older per unit and to maintain the status of the Property as housing for older persons under the Fair Housing Acts. Such policies and procedures shall provide for verification of the age of the residents by reliable surveys and affidavits, and each resident, if requested to do so by the Association, shall furnish the Association with the names and ages of all occupants of the residential unit and such affidavits and other documents as the Association may request to verify the ages of such occupants.

Board Resolutions (5-25-2011) Paragraph 2 – For the purpose of clarifying the term "at least one occupant of each residential unit must be 55 years of age or older:" An age-qualified (55+) "permanent resident" must occupy the residence when there is an underage (19 to 54) person residing at the address. Any occupancy period shorter than ten (10) months in any twelve (12) month period by the age qualified individual will require the residence to be "vacant" in their absence.

Board Resolutions (5-25-2011) Paragraph 2(a) – For the purpose of clarifying the power of the Association to "grant variances from the above [age] restrictions:" A variance will be granted from the age restrictions for a spouse under age 55 in the following situations unless the granting of such variance would result in less than eighty percent (80%) of the residential units being occupied by one person 55 years of age or older:

- (i) when an age-qualified spouse dies, the surviving spouse may continue to live in the residence even if the surviving spouse is under age 55,
- (ii) when an age-qualified spouse must be relocated for medical reasons, the remaining spouse may continue to live in the residence even if the remaining spouse is under age 55. This variance does not exempt the residence and its occupants from complying with any applicable federal, state, or local law regarding age restrictions. No other person under age 55 may reside with the surviving or remaining spouse in the residence for more than ninety (90) days in any twelve (12) month period unless an age-qualified permanent resident also occupies the residence. This clarification applies to spouses in a union recognized by the State of Arizona and applies only in the event of the death or medical relocation of one spouse and not in the case of divorce or other separation.

- The carport and store room attached to the walls of the dwelling may be placed not closer than five (5) feet to an interior side lot line and not closer than ten (10) feet to a side lot line adjacent to a street.
