# **3<sup>rd</sup> ANNUAL ELECTRONICS RECYCLING EVENT**

**Wednesday, March 12, 2025**  
8:00am - 11:00am

Location:  
Bell Recreation Center Parking Lot  
16820 N. 99th Avenue, Sun City

SCHOA is partnering again with EWS, to utilize some of the most advanced technology in the electronics recycling industry specifically regarding end-of-life I.T. assets and data destruction. If an electronic product has reached the end of its life and cannot be reused, it can always be recycled.

Drop off your old working or broken electronic devices and let EWS ensure that the device is recycled in an environmentally responsible manner.
